Last month at the Middle School. . .

We spent the month of June exploring our forest friends, camping, summer fun and then, just like that. . .School's Out!!

Some of the art projects we worked on include painting our favorite forest animals, making God's eyes with yarn and popsicle sticks, painting campfires, and making our version of sunshine! We also played a lot of games outside, when we could get out in between the rain!

We would like to offer our Congratulations to Allie, Izzy, Kayla, Nate and Owen, as well as all of the other Graduates! Good luck in all you do!!

Last month at the Primary School. . .

This last month of school went by so fast! The children earned all the cotton balls needed to get a party! They chose Hawaiian as the theme then the children came up with ideas for snacks, activities/crafts, and decorations. They all seemed to have a great time! This school year was amazing and I will miss the children who aren't coming in the summer or to the Primary School program next year! Everyone was so helpful, funny, caring, and a pleasure to be around! Hope everyone has a great summer!!!

SUMMER FAMILY FUN!!
